

## Neon Flex

### Product Specification

|                                |                |
|--------------------------------|----------------|
| Color type                     | RGB            |
| Output color                   | Red,Green,Blue |
| CRI                            | -              |
| Decoding IC                    | -              |
| LED/ Pixel                     | -              |
| Control type                   | -              |
| Voltage (V)                    | 24             |
| Power (W/m)                    | 17             |
| Efficacy (Lm/W)                | 30             |
| Luminous flux (Lm/M)           | 510            |
| Beam angle (°)                 | 30             |
| Cutting interval (mm)          | 83.33          |
| Maximum length single feed (m) | 5              |
| Maximum length double feed (m) | -              |
| Width (mm)                     | 24             |
| Height (mm)                    | 17             |
| Bending radius (mm)            | 400            |
| Weight (kg)                    | 9              |
| Operating temperature (°C)     | -20°C~+50°C    |
| Storage temperature (°C)       | -20°C to 70°C  |
| IP rating                      | 68             |
| Warranty (year)                | -              |

### Approvals

### Product information

|                  |                     |
|------------------|---------------------|
| Product category | Neon Flex           |
| Neonflex type    | 3D bending          |
| Product name     | VNL-3D24O-24-30-RGB |
