

## Product Specification

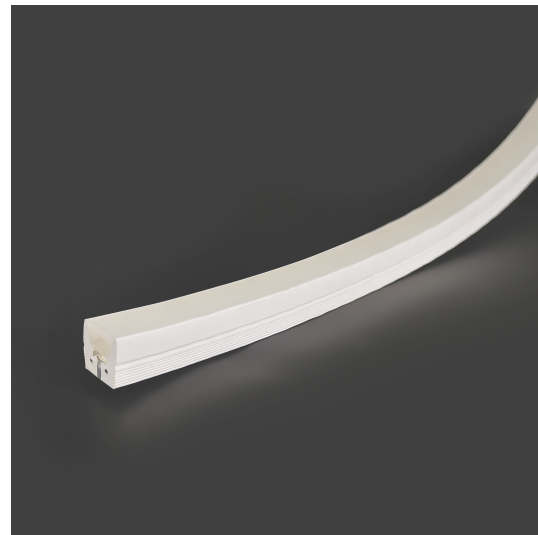

|                                |              |
|--------------------------------|--------------|
| Color type                     | Single Color |
| Output color                   | Green        |
| CRI                            | -            |
| Decoding IC                    | -            |
| LED/ Pixel                     | -            |
| Control type                   | PWM          |
| Voltage (V)                    | 24           |
| Power (W/m)                    | 9.6          |
| Efficacy (Lm/W)                | 18           |
| Luminous flux (Lm/M)           | 207          |
| Beam angle (°)                 | 120          |
| Cutting interval (mm)          | 62.5         |
| Maximum length single feed (m) | 20           |
| Maximum length double feed (m) | -            |
| Width (mm)                     | 20           |
| Height (mm)                    | 20           |
| Bending radius (mm)            | 300          |
| Weight (kg)                    | -            |
| Operating temperature (°C)     | -20~+60      |
| Storage temperature (°C)       | -            |
| IP rating                      | 68           |
| Warranty (year)                | 5            |

## Approvals

## Product information

|                  |               |
|------------------|---------------|
| Product category | Neon Flex     |
| Neonflex type    | Frontbending  |
| Product name     | VNL-F20F-24-G |
